May	1981	Terry Odegaard	North American Milksnakes
June	1981	Larry Probst	Rhinoceros Iguana Care, Breeding and Ecology
July	1981	Bruce Delles	5th annual Reptile Symposium on Captive Propagation and Husbandry
August	1981	Kevin O'Brian	Laws and Herps 'The Sting' & U.S. Fish and Wildlife
September	1981	Jim Gerholdt	Rattlesnakes, Care and Natural History
October	1981	Films	The Man and the Snake & Deadly African Snakes or The Death of a Logomorph
November	1981	Don Midow	Cobra Care and Natural History
December	1981	Siah St. Clair	Photographic Techniques for Reptiles and Amphibians
January	1982	John Willie Dee	Aquatic Turtles Care and Maintenance
February	1982	Gary Casper	A Sting Operation Overview From a Herpers Perspective
March	1982	None	Election and Annual Meeting
April	1982	Delvin Jones	Herpetological Travelogue of the Southeast US
May	1982	Daryl Karns	Preservation Techniques and Basic Taxonomy
June	1982	Jeff Lang	Cold Blood and Warm Hearts, Crocodiles
July	1982	Tom Foose	AAZPA and Role of Zoos in Wildlife Conservation
August	1982	Terry Odegaard	World of Reptiles Terry's Traveling Reptile Show
September	1982	Daryl Karns	Ecology of the Herpetofauna of Boreal Peatlands of Minnesota
October	1982	Dan Keyler	Treatment of Venomous Snakebite
November	1982	Jim Gerholdt	Rattlesnakes, Their Natural History and Care in Captivity.
December	1982	Bruce Delles	Captive Maintenance and Variation in the Rat Snakes of the Genus Elaphe
January	1983	Jim Gerholdt	Reptiles of California
February	1983	Carrol Henderson	DNR Non-Game Programs and Herp Priorities
March	1983	None	Annual Meeting
April	1983	Film, Science Museum	Darwin on the Galapagos, at the Science Museum
May	1983	Slide Show	Minnesota DNR's show on the States Frogs and Toads.
June	1983	Dr. Henry Philmon	Anatomy of Snakes
July	1983	Don Midow	Cobras Care and Natural History
August	1983	Dr Walter Breckenridge	Research on Canadian Toads and Film on the Spiny Softshell Turtle
September	1983	Panel	The 7th Annual Reptile Symposium in Texas
October	1983	Dr. Daryl Karns	Ecology of West African Lizards
November	1983	Dr. Bruce Cutler	Everything You ever Wanted to Know About Food Insects
December	1983	Delvin Jones	A Herpetological Odyssey Through The Southwest US
January	1984	Delvin Jones	Herp Travelogue through the Southeast U.S.
February	1984	Daryl Karns	The Hot Blooded Dinosaurs
March	1984	None	Annual Meeting
April	1984	Bob Duerr film	Snakes and Flowers
May	1984	Slide show	Frogs and Toads of Minnesota
June	1984	Dan Keyler	Venomous Snakebites
July	1984	John Moriarty	Reptiles and Amphibians of Kentucky
August	1984	Panel	Basic Herp Care

Month	Year	Speaker	Topic
September	1984	Panel	8th International Herpetological Symposium on Captive Propagation and Husb.
October	1984	Panel	Captive Breeding
November	1984	Bob Bader	Care and Breeding of the Whites Treefrog
December	1984	Diane Grone	DNR slide tape The Snakes of Minnesota
January	1985	Jim Gerholdt	The Basics of Hot Herp Keeping
February	1985	David Hoppe	Color Variations in Minnesota Amphibians
March	1985	Tom Johnson	Missouri's Endangered and Threatened Amphibians and Reptiles
April	1985	Dan Keyler	Venomous Snakes at the Minnesota Zoo and Snakebite photos
May	1985	John Moriarty	Field Herpetology
June	1985	Carrol Henderson	Plants and Animals of Costa Rica
July	1985	Movie	The Man and the Snake / Deadly African Snakes
August	1985	Panel	9th International Herpetological Symposium
September	1985	MN DNR New Laws	
October	1985	Richard Cary Paull	Turtles and Tortoises and the Role of the Turtle Trust
November	1985	Dr. Mark J. Wiesman	The Basics of Herp Medicine
December	1985	John Tester	Toads in the Prairies
January	1986	Videotape	Heartbreak Turtle
February	1986	None	White Snake Sale
March	1986	Barney Oldfield	Lets Talk Turtles - Turtle of Minnesota (DNR slide show)
April	1986	Dr. Bernard Bechtel	Color Patterns in Snakes
May	1986	Dr. William Schmid	Hibernation of Amphibians
June	1986	Dr. Walter Breckenridge	Island Ecology in the Mississippi River
July	1986	Various	Recap 10th Annual Herpetological Symposium
August	1986	Gary Casper	Breeding of Boas and Pythons
September	1986	Barney Oldfield	Desert Denizens
October	1986	Video/ D Hoppe/ J Moriarty	Alligator Snapping Turtle/ Snake Feeding Behavior/ SSAR Meeting
November	1986	MHS Board	Interesting Herps
December	1986	Bob Applegate	Tri Colors and Albinos / Travelouge Through SW US
January	1987	Dr. Dan Keyler	Snakebite
February	1987	None	White Snake Sale
March	1987	?	?
April	1987	A.B. Sheldon	Photographing Reptiles in the Wild
May	1987	Movies	Snakebite, Rattler
June	1987	Pat Brown	Microbiological Pathology
July	1987	Jim Gerholdt / Barney Oldfield	Quest For Crotaphytus
August	1987	Dr. Phil Cochran	The Mudpuppy: The Fish-Like Amphibian
September	1987	A. Hampton/ J. Moriarty	Basic Husbandry and Care of Amphibians and Reptiles
October	1987	Frank Barnwell	Behavioral Study of Dart-Poison Frogs in Costa Rica - A Tropical Frog Essay
November	1987	Dave Hoppe	Amphibian Feeding Behavior
December	1987	Bob Bader	Wholsales Perspective/ Travelouge of the Far East
January	1988	None	Tour of Bell Museum
February	1988	None	White Snake Sale

<b>Month</b>	<b>Year</b>	<b>Speaker</b>	<b>Topic</b>
March	1988	John Moriarty	DNR County Biological Survey
April	1988	Carrol Henderson	Cost Rica Travelouge
